

***Feeling disempowered  
in the face of global warming?***

***Despondent about the lack of progress  
towards emissions reduction?***

***Despairing about the power of vested interests?***

***Concerned for future generations?***

***Have your say and hear others  
whilst finding hope and empowerment for the future.***

***“What can I do towards climate justice?”***

**Come and hear**

**Professor David De Kretser AC**
