

A Grand Stand for the Environment Invites you to an interactive workshop

Joanna Macy & the Great Turning

*The most radical
thing any of us can
do at this time is to
be fully present to
what is happening
in the world.*

**Experience Joanna's wisdom on film, share insights
and questions with the panel and each other.**

Joanna Macy Ph.D., is a scholar of Buddhism, systems thinking and deep ecology.
A respected voice in movements for peace, justice, and ecology, she interweaves her scholarship
with learning from five decades of activism.

*The Great Turning is a name for the essential adventure of our time:
the shift from the industrial growth society to a life-sustaining civilization.*
