

A GRAND STAND FOR THE ENVIRONMENT INC.

- in co-operation with St. Kevin's Parish Church, Lower Templestowe, presents -

Horsehead Nebula (Orion) - NASA/Hubble telescope

"Made from stardust"

Climate awareness - finding hope

***Our origins connect us to the cosmos and to all life on earth.
How can we embrace justice, power and love to make a difference
as we face the challenge of climate change?***

***Come and join the conversation in an afternoon
of story, poetry and inspiring images.***

Conversation leaders: Trevor Parton and Christina Rowntree.

***"... it's time to guide the capsule if you dare"- Chris Hadfield, astronaut, adapting David
Bowie's Space Oddity***

Date: Sunday 22nd July, 2018 2.00pm – 4.30pm

**Where: St Kevin's Catholic Church Gathering Space,
26 Herlihys Road, Lower Templestowe. (Melways 33D6)**

GOLD COIN DONATION APPRECIATED
